## 1. Introduction

### What is PBN?

The Pet Business Network (PBN) is a membership-based platform designed for pet businesses to promote their goods and services affordably. Members benefit from exclusive member-to-member discounts and the prestige of being part of a professional association, enhancing their recognition and credibility.

**Purpose:** PBN's mission is to connect pet businesses with consumers, establishing the largest nationwide directory of pet-related businesses. This allows consumers to find exactly what they need with just a few clicks. Through member-to-member discounts and promotions based on their membership level, businesses can promote and grow their operations—what we like to call PETworking! PBN is dedicated to helping animals, believing that the best way to do so is by supporting the businesses that care for them. A portion of every membership fee is donated to animal welfare initiatives. We believe that business for good is good for business
